

One-Stop Motor & PT Solutions

LEESON is now your one-stop solution for a wide range of motor and power transmission needs. In addition to the IRONMAN BY OHIO GEAR™ line of cast iron worm gears featured in this catalog, stock products available for immediate shipment include:

- Motors from sub-fractional through hundreds of horsepower. AC and DC. General-purpose, definite-purpose and customer-specific designs.
- An expanding family of AC and DC electronic drives, including AC micro and sub-micro PWM models that set the standard for ease of set-up and programming.

IRONMAN BY OHIO GEAR™ reducers have all the premium features needed for long life in industrial applications.

For complete information on any LEESON motor, gearmotor or drive products, please call 262/377-8810, or check our web site for the location of your nearest LEESON District Office.
