

# Free Mod-Squad™ Service Or Assemble It Yourself!

Any of the preferred stock 700 Series reducers are available on a quick shipment basis, assembled with an interchange base or output flange by the **LEESON Gear Mod-Squad**—at no charge for the labor! Just pay for the accessory item. To order, specify the basic reducer catalog number and the Mod-Squad™ suffix code. Output flanges are listed on page 53. Interchange bases are listed on pages 54-55.

Or **assemble it yourself** by ordering the appropriate basic reducer and accessory kit (see options below).
